MEET WITH STOCKBROKER REPRESENTATIVES

The banner features a blue and yellow gradient background. At the top, a blue arrow points upwards, followed by the text 'INVEST SRI LANKA' in large, bold, black letters. Below this, 'INVESTOR FORUM – DUBAI' is written in blue. The background includes a silhouette of a city skyline and a large, detailed stone relief carving of a group of people.

INVEST SRI LANKA

INVESTOR FORUM – DUBAI

Invest Sri Lanka is a series of forums organized by the Securities and Exchange Commission of Sri Lanka (SEC) and Colombo Stock Exchange (CSE) to promote foreign investment in the Sri Lankan Stock Market and to showcase investment opportunities in leading Sri Lankan listed companies. The forums have been conducted in key foreign markets including the UK, USA, Australia, New Zealand, UAE, India, Switzerland, Hong Kong and Singapore.

This year, the CSE in association with the SEC, CSE members and trading members, the Embassy of Sri Lanka, Abu Dhabi and the Consulate General of Sri Lanka to Dubai and Northern Emirates is set to host an 'Invest Sri Lanka' Forum to promote investment in the Sri Lankan capital market in Dubai, United Arab Emirates.

Invest Sri Lanka Forum Dubai is expected to attract investor interest, encompassing Sri Lankans living in Dubai and the event will provide a comprehensive showcase for investment opportunities in the Sri Lankan capital market via the CSE.

Mr. Ajith Nivard Cabraal, the Governor of the Central Bank of Sri Lanka will grace the occasion as the keynote speaker at the forum. A Sri Lankan delegation including the Chairmen of the SEC and CSE, senior representatives of the SEC, CSE, Stock Broker firms, the Embassy of Sri Lanka, Abu Dhabi and the Consulate General of Sri Lanka to Dubai and Northern Emirates are also set to be present at the forum to make a collective case on Sri Lanka as an attractive investment destination.

Upon the Post-Covid imperative of accelerated economic revival, Sri Lanka remains focused and committed to stabilizing and re-orienting the economy, and to ensure that our nation is on a path towards meaningful and sustainable growth.

In terms of the stock market, CSE trades at a discount compared to most frontier markets and is supported by a promising growth potential among listed corporates. The All Share Price Index (ASPI) in 2021 has performed strongly, recording the highest year-to-date (YTD) and yearly index growth among the Asia Pacific Regional peer indices, offering encouraging returns to investors.

Sri Lanka is committed to forging ahead with our reform agenda and our bid to develop into a strong, stable and resilient economy, and an attractive place to do business.

We encourage you to continue to believe in Sri Lanka, and to be a part of the country's future. We look forward to meeting you on 05th November 2021 and discussing the many positive outcomes we expect for Sri Lanka and our capital market in the near future.
